

## Croquet club beneficiaries of grant funding

THE Murray Bridge Croquet Club was the happy recipient of grant funding for improvements to the clubs' Thomas Street playing arena.

Member for Hammond Adrian Pederick was on hand to present the grant funding, which will be used for the paving and plastic line marking of the club's lawn.

The permanent plastic lines will replace spray-painted marks that would have to be measured and redone each time the grass was mown.

The line marking work took committee member Ken Zadow more than 190 hours to complete.

**Thanks:** Murray Bridge Croquet Club committee member Ken Zadow and president Lesley Zadow accept a cheque for \$4000 from Member for Hammond Adrian Pederick.
