Adrian Pederick MP

Member for Hammond
Shadow Minister for Agriculture, Food and Fisheries
Shadow Minister for Forests

Adrian 'aprons up' for sick kids

Local MP Adrian Pederick donned the apron last Saturday to help out with a major fundraising event at a Murray Bridge restaurant.

Alongside other eager volunteers and keen staff members, Adrian greeted customers, swept floors, bagged rubbish and packed take-away orders for hungry customers – all for sick and seriously ill children.

Between tasks, Adrian said he was delighted to be able to contribute his time for a very worthwhile cause.

'Ronald McDonald House Charities support seriously ill children and their families throughout Australia,' he said.

'Their activities include providing low cost accommodation near hospitals for families to be near their sick children, family retreats, a learning program and a cord blood bank.

'The health and well-being of Australia's children is everyone's responsibility and I'm pleased and proud to give my time to help.'
