

MEDIA RELEASE

Adrian Pederick MP JP

Member for Hammond
Parliamentary Secretary to the Liberal Leader for
- The River Murray
- Sustainability and Climate Change

Friday September 7, 2007

Call in at the House when you're passing

Local MP Member for Hammond Adrian Pederick played host and tour guide to a group of students from East Murray Area School last week.

The students and their teachers visited the State's Parliament House while on a trip to the city and Mr Pederick met them to show them around and describe some of the parliamentary procedures.

Mr Pederick invites other schools and community groups who may like to visit the state's legislative centre to contact his electoral office and arrange a mutually convenient time.
