Adrian Pederick MP

Member for Hammond
Shadow Minister for Agriculture, Food and Fisheries
Shadow Minister for Forests

State flag flies over Murray Lands village

A bright, new state flag flutters proudly over the carefully groomed grounds of the Murray Lands Retirement Village.

Local MP Adrian Pederick responded to a call from Murray Lands Retirement Village residents that their existing flag had done a great job but was showing signs of wear.

Mr Pederick, who has taken considerable interest in the village in recent years, was delighted to be able to present residents with a new Piping Shrike flag.
