### **Pederick flies a flag for Karoonda Hospital**

Three new flagpoles now grace the entrance to the Karoonda Hospital.

In keeping with a requirement that ..... display the national flags and the flag of Indigenous Australia as well as the South Australian state flag, Karoonda Hospital have recently completed the installation of the three flag poles at a cost of \$3,000.

To help 'dress' the flagpoles, local MP Member for Hammond Adrian Pederick last Friday presented the hospital with a State flag.
