\$2,500 grant helps attract young bowlers

The Karoonda & District Bowling Club will use a \$2,500 grant to purchase ten sets of small bowls, enabling young people to try the sport and become active players and club members.

This facilitates a growing worldwide trend for younger players to participate at all levels, including international and Olympic competition.

The small bowls are also easier to handle for some adults who find normal size bowls difficult to manage, thereby broadening the appeal of the sport within the community.

The funds were made available through the 'Active Club' program, which assists community-based sporting and recreation clubs to develop and expand the services they provide, thereby increasing access to quality activities and facilities.

Member for Hammond Adrian Pederick MP presented the cheque to club secretary Peter Shilton at the Karoonda clubrooms last Saturday.
