Welcome support for Mallee facility at Pinnaroo

The Mallee Tourist and Heritage Centre received a further boost to its endeavours recently with a grant for \$4,900 towards its development of historical displays.

Local MP Adrian Pederick presented the cheque for the grant to heritage centre president Max Wurfel last week.

The funds will be used in the production of an audio interpretation of the DA Wurfel Grain Collection.

Mr Pederick said the Mallee Tourist and Heritage Centre served as a focal point for visitors to the district providing valuable information for travellers as well as presenting the town's history.

'I travel around the state in my role as a Shadow Minister and the Mallee community can be very proud of this impressive facility,' Mr Pederick said.
